

### A Colloquy on Friendship: Journal Page

Find a place to sit and have a conversation with God. Maybe sit at a table and imagine God joining you for a cup of tea or coffee.

*Stacy says: I've been drawn to my deck lately for this spiritual discipline. I imagine God sitting in the chair across from me as we talk.*

This colloquy is centered on *A Friend's Love*. Write the memory verse here before you begin.

Begin your prayer by asking God about your friendship with Him. Are you a good friend to Him?

End your time of prayer with praise and thanksgiving.

After a day or two return to your prayer. Do you see truth you didn't notice before? Do the responses you wrote line up with God's Word? What new insight have you learned about your friendship with God and others?

Journal the answers to your time of reflection on your colloquy with God.
